SUBJECT: Form W-2 Wage and Tax Statement for 2014

IRS Form W-2 Wage and Tax Statement 2014 is required to be distributed to all current and former employees on or before **January 31, 2015**. In order to prevent penalties from being assessed to the City, your cooperation in meeting this deadline is imperative.

To assist you in answering routine employee questions we are providing some basic guidance as to what is reported in specific boxes on these W-2 forms. This year the form covers wages earned in Pay Period 26, 2013 (paid January 2, 2014) through and including Pay Period 26, 2014 (paid December 30, 2014) for a total of twenty-seven (27) pay days.

The employees' departmental pay location number is shown in the return address box (c) following, "CITY OF MILWAUKEE."

Box 1 - Wages, tips, other comp. - contains 2014 taxable wages. In addition to wages, Box 1 includes any other taxable payments such as donor payments, taxable portion of moving reimbursements, clothing (i.e. boot, glove, uniform, cleaning, etc.), telephone and other allowances, safety bingo, taxable tuition reimbursements, commuting mileage in city-owned vehicles, and auto allowance paid in excess of government specified rates. Taxable fringe benefits such as the imputed value of group-term life insurance over \$50,000 and domestic partner insurance are also included in Box 1. Not included are contributions to the deferred compensation plan, pre-tax health and dental deductions, FSA dependent care, parking and medical expense contributions, and amounts received as current year injury. Prior year injury pay adjustments are reported on W-2cs for each respective year.

Box 3 - Social security wages - contains the Social Security portion of eligible components included in Box 1. Deductions on these amounts were made at 6.2% until the \$117,000.00 gross taxable earnings limit was reached. The maximum deduction was \$7,254.00. Deductions for pre-tax health and dental deductions, FSA dependent care, parking and medical expense contributions are not included in this box. Current year injury pay is also excluded. Deferred compensation is included in social security wages.

Box 5 - Medicare wages and tips - contains the Medicare portion of eligible components included in Box 1. Deductions on these amounts were made at 1.45% of all gross taxable earnings, unlimited. Deductions for pre-tax health and dental deductions, FSA dependent care, parking and medical expense contributions are not included in this box. Current year injury pay is also excluded. Deferred compensation is included in Medicare wages.

Box 10 - Dependent care benefits - contains the amount of deductions for FSA dependent care.
